Autumn is the season after summer and before winter. In the United States this season is also called fall. In the Northern Hemisphere, it is often said to begin with the autumnal equinox in September and end with the winter solstice in December. In the Southern Hemisphere, it runs from the autumnal equinox in March to the winter solstice in June. In many places in the temperate zone, autumn is ...

There will be plot spoilers in this review. I read the book Autumn Falls by Bella Thorne. The main character is Autumn Falls. Autumn has red fire like hair; she also tends to be a klutz. Autumn is a self-conscious young teenager-mainly, about her name. The story starts out on the first day of school, but it doesn't go so well.
