The Complete Collection 2 of Deadpool was the funniest of the Complete Volumes. It shows Deadpool as crazy but having a method behind the madness. A lot of other comic book heroes show up in these issues too. My favorite volumes were the ones when Deadpool was a pirate and the ones where he works with the X-Men and the Spider-Man issues.

This was a wildly fun Epic series of misadventures through the crazy world of Deadpool. Vol. 2 of The Complete Deadpool starts off where Vol. 1 ended (not that there is that much continuity, but they do mention things from Vol. 1) However, overall, I thought this collection was far superior and more entertaining than the last - it is the complete package!
