[My Knight In Shining Armour](#)

a knight in shining armour an idealized or heroic person, especially a man who comes to the rescue of a woman in distress or in a difficult situation. This expression, a variant of which is a knight on a white charger, is often used ironically of someone who presents himself in this guise but is in fact inadequate to the role.

A knight in shining armour is a person, usually a man, who comes to the aid of another, usually a woman, in a gallant and courteous manner. What's the origin of the phrase 'A knight in shining armour'? The present-day use of this phrase is, of course, figurative and refers back to the notion of gallant knights saving fair maidens in distress.

A knight in shiny armor is a chivalrous character, straight from the middle ages. This brave man is supposed to protect an innocent and trapped girl from the danger. In ancient tales, girls used to wait for that liberator till the time he came. Even today this expression is used for a courageous hero that any girl dreams for.
